Carroll Livestock Market Sale Pavilion

1 Mile West of Carroll on U. S. Highway No. 30

**CARROLL, IOWA**

Sale starts Promptly at 12:00 NOON, C. S. T.

**ALBERT J. HAMANN, SALE MANAGER  
ROCK RAPIDS, IOWA 51246**

# General Information

**TIME**—Sat., Dec. 3, 1966. Sale will start promptly at 12:00 Noon C. T.

**LOCATION**—The sale will be held in the Carroll Livestock Market Auction Sale Pavilion located one mile west of Carroll, Iowa, on U. S. Highway No. 30.

**TERMS**—The terms of this sale are cash unless other arrangements are made in advance with the seller, and the sale manager is notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

**LIABILITY**—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

**HEALTH**—All cattle will be sold according to the health regulations of the State of Iowa. Buyers must be aware of any variation between the laws of Iowa and their own states. Interstate health certificates will be furnished. In addition, calfhood vaccination for Brucellosis has always been practiced.

**CERTIFICATES OF REGISTRY**—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

**BREEDING DATES**—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over the date in the catalog. All bred females will be pregnancy examined prior to sale day.

**AUCTIONEERS**—J. E. Halsey, Des Moines, Iowa; Dick Kane, Wisner, Nebraska.

**SALE MANAGER**—Albert J. Hamann, Rock Rapids, Iowa.

**VETERINARIAN**—Dr. Arthur Mally, Lake City, Iowa.

**PERSONNEL**—Ted Aegeuter, American Shorthorn Assn., Seward, Nebraska; Bill Stunkel, The Shorthorn World, Fremont, Nebraska; Arch Stone, Wallaces Farmer, Des Moines, Iowa; Robert C. Fitzgerald, The Drovers Journal, Kansas City, Missouri.

**MAIL ORDERS**—Those unable to attend who desire to buy may contact any of the above men all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Carroll Livestock Market Auction Co., Carroll, Iowa.

**SALE HEADQUARTERS**—Burke Motor Motel, Carroll, Iowa will be sale headquarters. Make personal reservations as soon as possible. The sale manager can be reached there the evening before the sale.

**DELIVERY**—For buyers from a distance who cannot load directly from the sale barn, Otto Johnson is agreeable to take the cattle home and care for them a reasonable time. Insurance from the date of sale is the responsibility of the buyer.

**INSURANCE**—Buyers wishing to insure their purchases through Harding & Harding Livestock Insurance can be accommodated by so indicating to the Sale Manager at the sale or to Sale Clerk at time of settlement.

**LUNCH**—Lunchroom in sale pavilion.

**FURTHER INFORMATION**—For those wishing further information prior to the sale, you may contact:

Otto Johnson, Lohrville, Iowa. Phone: 712 465-2266.

Sale Manager—Albert J. Hamann, Rock Rapids, Iowa. Phone: 712 472-3676.

### A RELUCTANT DECISION

Complete dispersion of our entire herd of Polled Shorthorns was not an easy decision to make after they had been a part of our life and work and have been good to us for thirty years.

However, nearing retirement age, a large farming operation and the present labor situation brings us to the realization that we cannot go on indefinitely to keep the herd at it's peak of performance and work further improvement.

Therefore, the decision to disperse the herd while it is still moving forward and in a position to pass into younger hands with energy and ambition to help them carry on where we leave off.

We believe in this herd and are willing to recommend any of these cattle to anyone. With proper care and handling they will do as well or better for others as they have done for us. They are sound, healthy and productive as we have always aimed to make our breeding program sound, practical and constructive.

We appreciate the honors and the lasting sincere friendship that have come our way and the help that we have received in the Polled Shorthorn business. We will surely miss much of this but will try to keep as much contact as possible and always remember the rest.

We would appreciate having you with us at Carroll on December 3rd. Also, anytime before or after that. The latchstring will always be out.

OTTO JOHNSON

## OTTO JOHNSON

### 1964 "Builder of the Breed"

(From the August 15, 1964 Special

Issue of The Shorthorn World with  
respect to being so honored.)

"Otto Johnson, Lohrville, Iowa is another example of the great American agricultural success story. Born and reared in Sweden, he came to the United States at the age of 19. He founded his Polled Shorthorn herd thirty years ago and has worked conscientiously at the job of producing breed improvers ever since. His record of grand champions and top-selling bulls at the Omaha sale, largest Polled

Shorthorn bull sale in North America, stands for all in the future to shoot at. The success of his cattle in the hands of others proves again that much of the breed's finest seed stock is produced in select, rigidly culled herds maintained as a family enterprise on the average-sized American farm."

\* \* \* \* \*

With respect to the above, no honor was more richly deserved nor could the reasons for this recognition have been better said.

In regard to this sale, it is unfortunate that there comes a time when breeders such as Otto Johnson must consider adjusting their operation to a more limited scale and herds such as this must be dispersed. However, such dispersions are an opportunity for others to share in seed stock such as this which otherwise would not be available.

The consistent record of this herd speaks for itself. A study of this catalog will show the program of constructive breeding and breed improvement carried on such as producing superior individuals and then mating such and producing individuals more superior through generation after generation. Also note that nearly every animal was bred and reared on the farm.

Therefore, you owe it to yourself and a master breeder to attend this dispersion sale on December 3 at Carroll, Iowa, and avail yourself of buying opportunities that rarely present themselves. It will be well worth many miles of travel.

**G F PRESIDENT 11th x**—Our great senior herd sire that sells. This bull was Reserve Grand Champion of both the Missouri State Fair and Clay County Fair in 1962 when we purchased him. His sire was the 1959 Omaha sale grand champion and sale top at \$3700. His dam comes from a royally bred great producing family. He has sired many champions and sale tops and nearly 40 head of his get and his service sell. He is active, sure, with good sound feet and legs and sells fully guaranteed.

L L Consort 20th x—This could well be one of the very top young Polled Shorthorn bulls to sell in a long time. He is every bit as good as his photo. Good headed, good bone, correct in his style and balance, very smooth with adequate size, length and scale, he has everything a good bull should have. His sire was a first prize winner in the 1962 National Polled Congress and sired the top selling bull, champion female and best pair at the 1965 National Polled Congress. Also, the Grand Champion Female in 1964 and Reserve Champion in 1966 at Omaha. His dam was the 1966 Nebraska State Fair Senior Champion. Her sire was an International first prize winner and his sire was exported to Australia. The dam's mother was reserve senior champion at Iowa and reserve grand at Nebraska. Her sire an International Congress sale champion and her dam was first in class at Iowa and Nebraska. Truly a great background of consistent superiority. Lou Laughlin has 20 young calves by him dropped this summer that look very good and stamp him as a 100% dehorner even on horned cows. 40 females in this sale carry his valuable service and it is the intention to have some of his semen available by sale day. Here is a bull worth traveling many miles for.

**WELCOME COUNT x**—A good headed, strong, well balanced and heavy boned bull with tremendous size and scale that will make a ton bull. This is a royally bred bull. His sire topped the 1964 Omaha sale at \$1550 selling to Minor and Robert Blum, Terril, Iowa, where he is siring a great group of cattle. His sire, in turn, was by the \$10,000 Marellbar Purvis and out of a dam by the International Reserve Champion, Cherry Hill Royal Oak x. Roan Sharon, the dam of this bull, a big roomy cow, was by a grandson of the Perth champion Calrossie Perfect and out of a granddaughter of the famous Calrossie Mercury. Roan Sharon also produced Browndale Robin x, first prize junior yearling at 1965 Iowa State Fair and reserve champion at the North Iowa Fair in horned competition. This bull has been used on some females selling and is a real herd bull for some good herd.

LADY CLIPPER 14th x—Has been one of our very best producers because she is bred that way. Her sire was an Iowa State Fair reserve champion, son of an Omaha reserve champion and a grandson of the noted Killearn Royal Max. Her dam from our great Clipper family is a line bred Supreme Monarch who was a full brother to the \$6300 Browndale Monarch. Lady Clipper 14th is the dam of O J President 8th that sold in the 1966 Omaha sale for \$725 to S. S. Zeigler, Palco, Kansas. She sells with a **MAY 23, 1966 RED HEIFER CALF AT FOOT** by G F President 11th which is a full sister to the 8th. She was rebred July 21, 1966 to the young bull L L Consort 20th. A really valuable combination.

# STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
